

## Donate

As PROMO leads the legislative battles on the frontlines in Jefferson City, we must also continue our education and outreach programs across the state and continue building a stronger, more politically savvy base of support so that we are even better prepared in the future.

We need your help to guarantee that PROMO FUND is a financially stable and politically powerful organization throughout this year and well into the future. We need your financial support to ensure that we stay well-organized, active, and vocal for many years to come!

Your significant tax-deductible donation to PROMO FUND will help make our current and forthcoming work around LGBT equality possible.

Let's show the opponents of LGBT equality just how intent we are in changing society's perception of us and in changing the laws that continue to discriminate against us!

Join our Leadership Council with a tax-deductible contribution to PROMO FUND today.
